## *Glad to see you!*

## A NEW FREEDOM

*For sin shall no longer be your master, because you are not under the law, but under grace.*

**Romans 6:14 (NIV)**

- I'm no longer bound to a **SYSTEM**; I am joined to a **SAVIOR**.

*'Brothers and sisters, you all understand the Law of Moses. So surely you know that the law rules over people only while they are alive. It's like what the law says about marriage: A woman must stay married to her husband as long as he is alive. But if her husband dies, she is made free from the law of marriage. But if she marries another man while her husband is still alive, the law says she is guilty of adultery. But if her husband dies, she is made free from the law of marriage. So if she marries another man after her husband dies, she is not guilty of adultery. In the same way, my brothers and sisters, your old selves died and you became free from the law through the body of Christ. Now you belong to someone else. You belong to the one who was raised from death. We belong to Christ so that we can be used in service to God. '*

**Romans 7:1-4**

- I'm no longer bound to **SIN**; I have a new spirit that produces better **FRUIT**.

*'You might think I am saying that sin and the law are the same. That is not true. But the law was the only way I could learn what sin means. I would never have known it is wrong to want something that is not mine. But the law said, "You must not want what belongs to someone else." And sin found a way to use that command and make me want all kinds of things that weren't mine. So sin came to me because of the command. But without the law, sin has no power. Before I knew the law, I was alive. But when I heard the law's command, sin began to live, and I died spiritually. The command was meant to bring life, but for me it brought death. Sin found a way to fool me by using the command to make me die. Now the law is holy, and the command is holy and right and good. Does this mean that something that is good brought death to me? No, it was sin that used the good command to bring me death. This shows how terrible sin really is. It can use a good command to produce a result that shows sin at its very worst. '*

**Romans 7:7-13**

- I'm no longer bound to the measuring stick of the law; Jesus **FULFILLED IT**.
